

# ROOF

- 25-year life: The roof is nearing the end of its 25-year life
- Repairs: More money is spent on repairs each year
- Water pools in certain spots, making it vulnerable to leaks

- HVAC is nearing the end of it's 25-year life
- No heat in the winter is a danger if the system fails
- New machines will be more energy-efficient and cheaper to operate

- Pavement is cracked and coming apart
- Poor lighting at night, when most ministries run
- Add lighting to the parking lot to increase safety

# INTERIOR

- Sanctuary is tired & worn. Carpet to be replaced & pews recovered
- Office furnishing is dated & worn
- Poor acoustics & limited sound dampening in various rooms

- Toilets are over 30 years old. They are failing & clogging
- Plumbing: Internal plumbing systems and sumps need to be updated to prevent expensive flood damage

- Outdated and limited outdoor signage
- Warning Signs: Most of the signs around the property tell people to keep away
- Add signs outside that welcome people inside

In 1984, people gave sacrificially to a vision to build a church that was 4x as big as the congregation.

Allow us to reach people in a building that is well stewarded and maintained. The building that God blessed us with.

### **Financial Support**

 Please help contribute financially to these projects BUT NOT at the expense of our ongoing ministry

## **Church Family Support**

- Bear with us while we make improvements
- There will be construction dust, missing pews, fencing & barriers. Please be patient and keep our programs running

### <u>Ideas</u>

- We want to hear from you!
- Send your ideas and pictures using the email below

### Time & Effort

- Are you willing to help? Do you have a strong back? Do you have skills or a trade? Come serve!
- One body, many parts

If you're called to give to this initiative please allocate offering to "anniversary"

#### **Construction Comittee**

\$500,000

\$9/week Per Person

A collection of congregation members who have been asked to review projects and quantify, qualify, prioritize, and make recommendations about the projects to the Board of Directors.

#### Financial Stewardship

Times are tight but we aim to spend money responsibly. Use volunteers where possible, seek energy-saving grants, and source out work to bidders.

#### God's Plan for BBC

Prepare the facilities God has provided, so that we are ready for what God has planned now and in the future.
